supply list

In addition to these items below, your teachers may be sending you additional items to purchase that students will need to participate in the class. These will be available on or before Orientation.

It is recommended that students write their name on all personal belongings in case something is lost.

- Backpack (most students prefer rolling backpacks)
- Lunch box
- Water bottle
- Folders and/or binder to organize notes, handouts, and student work
- Notebooks for each class or lined paper
- Pencil pouch or box
- Sharpened pencils, age appropriate and large supply (these get lost frequently)
- Crayons, markers, and colored pencils (age appropriate, but even the big kids need these)
- Scissors, age appropriate
- Scotch tape
- If taking a science class, \$20 lab fee is required.
- If taking an art class, a supply fee will be required. Amount TBD.

****Curriculum and supply lists are subject to change. Please plan accordingly and shop with the option to return if necessary. Any updates will be made on the website and announced via Facebook.****
