In addition to these items below, your teachers may be sending you additional items to purchase that students will need to participate in the class. These will be available on or before Orientation.

It is recommended that students write their name on all personal belongings in case something is lost.

- Lunch box
- Water bottle
- Folders and/or binder to organize notes, handouts, and student work
- Notebooks for each class or lined paper
- Pencil pouch or box
- Sharpened pencils, age appropriate and large supply (these get lost frequently)
- Crayons, markers, and colored pencils (age appropriate, but even the big kids need these)
- Scissors, age appropriate
- Scotch tape
- Small stapler and staples
- If taking a science class, \$20 lab fee is required.
- If taking an art class, there will be a supply fee - this is TBD.
- If taking a PE class, a change of dress code compliant gym clothes and footwear should be packed.
